REPEAT AD NEAUSEUM

There's a few different ways to play those opening chords:

```
|-----|
|-----|
|-----|
|--10-----10--|
|--10---10-----|
|--8-----8----8--|
```

All of these are based on a C root, but it's the same figure on the other notes. Be sure to add in bends, slides, and what-not. They were purposely left out so you can add them in on your own. Where and how you want them.
